JUNE 2016

PASTOR'S REFLECTIONS

After a long and sometimes intentionally silent few months, it's time to update you on the situation with Childfirst, the day care in the lower level of the building. As discussed at the annual meeting, late last year Childfirst began to fall behind in rent payments. We attempted to contact them, but never received a reply, until finally we heard from their attorney. We hoped that they would develop a plan to repay the back rent, but that plan never materialized.

As a result, the council took the difficult step of initiating an eviction. We chose a date far in advance (almost three months) to give parents and staff time to adjust, and so the 4K program could finish the school year.

Then, just as we acted, a new possibility arose – Red Balloon Learning Centers would essentially “buy out” Childfirst.

In early April, our Executive Committee met with Red Balloon. We were impressed with their operation and their vision. They asked us to consider allowing them to stay in our building for a period of time so that they could maintain continuity while they sought out a new facility. As I write this (mid-May), the council has offered them a lease. We are awaiting their response.

The new lease with Red Balloon would run through June 30, 2017. Red Balloon has indicated their desire to find a better location for their operation. The lease could be extended beyond that date, but at this time, it

is neither their intention nor ours for that to happen.

What does this mean for us? It means that we have restored the day care rent to our expected income for the year, and that in 2017 we can expect essentially ½ year of rental income. We will, however, need to live without that income moving forward. We will need to dig a bit deeper!

But wait, this is not about making the budget. When Red Balloon leaves the building, we will have that space available to us. To that end, the council has asked the “Space and Vision Team” to begin considering what our options might be. I don’t know what we will come up with, but I can dream – a youth room, a music room, maybe more space for food pantry, better storage for our sewing ladies, new classroom space...lots of possibilities!

But wait, this is not just about planning space. This is really *about our ministry and our mission*. This is about our figuring out just what Jesus is asking us to do.

So first, I’m going to ask the “Space and Vision Team” to think about our vision, to take what we heard at the “Congregational Conversation” in March of 2015, add to that what we have heard from various groups since then, and bring together what we believe God is saying to us. And then, we will bring it to you to hear what you have to say. How does the vision we present sound in light of the work of the Holy Spirit in YOU?

*And then...*we'll talk about how to make our vision real, and a lot of that will include space.

What that means is that we are about to enter a very exciting, dynamic, and busy year. Lots will happen as we consider our mission and ministry, and then as we bring our resources, including our space, to bear on the calling we have from God. As we do that, we will need your insights and your discernment.

And finally, sometime, maybe a year from now, we will give thanks to God for the years of day care in our building, the years of service to our community. We will rejoice in what was, and then we will embrace what God calls into being as we move forward as a community of faithful disciples.

As we move forward, I invite your questions, observations, and concerns. There will be moments when we will not be able to answer all you bring forth. Not all will always be crystal clear. But remember this is God's church, God's mission, and God will provide.

And hear again God's word, "I make all things new!" (Revelation 21:5)

COLLEGE SCHOLARSHIPS

Congratulations to our two college scholarship recipients from the high school class of 2016. Allison Rigotti will receive two scholarships – the Piper Scholarship and a Marking Scholarship. Raeann Rich is receiving the Michelson and Manthei scholarships. Both Allison and Raeann have been active in congregational life, and look to continue as disciples of Jesus as they go forth. Congratulations to them, and thanks to the Piper, Marking, Michelson and Manthei scholarships for their support of our young people!

JUNE DAIRY DAYS

Heading out to June Dairy Days? Check out the food booth, with folk from Our Savior's sharing the good stuff! Stop by for a chat, and bite to eat, as you enjoy the events of the day.

And...if you'd like to help there is still room for more helping hands. Sign up lists for the food booth and the fun run are in the Gathering Area. Come and be a part of the church community serving the West Salem community!

SPECIAL CONGREGATION MEETING

A special congregation meeting has been called for Sunday, June 19, following the 10 a.m. service, to consider a proposal from the Congregation Council and the Property Committee to replace significant portions of the sidewalk around the church property and the parsonage that have deteriorated over time. These repairs are mandated by the village in order to maintain compliance with the ADA. The proposal is to replace sections at a cost not to exceed \$20,000. Due to the dollar amount of the proposal, congregational approval is required. No other business will be in order at this meeting. See Jim Quamme or Pastor Jon for more information.

SUMMER MUSIC

During the summer months, we give the choir some much deserved time off and have individuals or small groups provide special music for church services. If you would like to play or sing for services over the summer, you are invited to share your talents with us! Talk to Linda Berg or one of the pastors for more information.

SYNOD ASSEMBLY

The 2016 Synod Assembly is set for June 10-12 at Luther College, in Decorah, Iowa.

Along with Pastor Jon and Pastor Jean, Our Savior's will have Cathryn Bottem, Ilene Pavelko, Mike Larson, Megan Larson, and Pam Gressens in attendance. Please keep the assembly in your prayers as it travels, meets, and returns home!

Worship on Saturday, June 9, and Sunday, June 10 will be conducted by several members of Our Savior's, using materials from the synod, and a sermon written by Pastor Libby Howe.

MOO-VIN' ON OUT!

Thanks to all who supported the cow project, including the naming contest. At press time, the winners are not yet known, but we do know that at least five cows from Our Savior's will make a real difference in the lives of hungry people around the world. Our cows will join over a hundred other cows from around the La Crosse Area Synod, herding at Luther College during our upcoming synod assembly.

PEACHES

It's almost peach season! Orders for peaches have been sent out to those who ordered last year, and order forms are available in the office. The cost for peaches this year will be \$28 for a case of peaches, freshly picked and shipped right to us. Peaches arrive a bit firm, ready to ripen.

Proceeds from the sale go to support our youth ministry. Good peaches, good ministry!

Peaches are scheduled to arrive this year on August 16. We will be ordering some extra, *but not many*, so place your order for the peaches you want! See Pastor Jon for more information.

FEED OUR CHILDREN-WEST SALEM

The Summer Lunch program will be starting on June 7 and running through August 18. Last year we added another day in the week, and another site and served on average

220 students a week with a nutritious lunch option. This year, our local sponsors have once again agreed to provide enough core meal components to serve 2 lunches a week. We will be serving at 2 sites this year, the Village Park and Anderson Mobile Home Park. We are so grateful for the generosity provided to make this program happen! You can get involved in the summer lunch program in the following ways:

Volunteer: We need volunteers to help package, transport, and serve the lunches. Team Leaders have volunteered to be responsible for the 11 weeks. They are listed here and also near the donation bins in the Gathering Area. Please look at your summer calendar and see if you can help them out by calling or emailing to see if they need help on their designated week.

Food Donations: We have a list of items we will need to fill in our lunches. See the list in the Gathering Area and in your weekly bulletin, as it changes and bring it along when you do your family's grocery shopping. All donations accepted!

Monetary Donations: Each week we supplement the donated items to complete the lunches with money from cash donations. You can write checks out to Our Savior's with "Summer Lunch" in the memo line. Drop it in the offering plate on Sunday, or turn it into the office anytime.

Thank you so much for your incredible generosity to make this program happen!

CONGREGATION COUNCIL REVIEW

The Congregation Council met on Monday, May 9, with President Jim Quamme calling the meeting to order. At this meeting the council:

- Shared devotions around the call to discipleship.
- Approved minutes from April, and received and reviewed financial reports and pastors' reports.
- Heard a report on discussions with Red Balloon to use our facility as Childfirst ceases to exist. Approved the lease with Red Balloon, pending their acceptance of the lease proposal.
- Asked the Vision and Space team to continue to work on a vision for mission, and use of space, now that we have some clarity regarding the day care's future.
- Voted to receive the 2016 confirmands as voting members.
- Authorized the purchase of two new amplifiers for the sanctuary.
- Affirmed a proposal from the Scholarship Committee to redefine the Lewis College Scholarship for second year college students who have been active in a campus ministry or congregation.
- Decided not to meet in July.
- Recommended to the congregation a proposal to replace sidewalks around the building, at a cost not to exceed \$20,000. Asked Pastor Jon and Jim Quamme to set the meeting date for a congregational meeting.
- Closed with the Lord's Prayer.

The council meets again on Monday, June 13. See Jim Quamme or one of the pastors if you have any questions.

SALVATION ARMY DINNER SERVING

Salvation Army dinner serving continues through the summer. Our Savior's continues to take the second Friday of the month. We are there from 4:15-5:15 p.m. – no preparation or clean up, just serving and being the presence of Jesus as we do "God's work with our hands." We look to have up to six servers, and families are welcome, including children as young as ten. A sign-up sheet is on the youth bulletin board outside Pastor Jon's office.

STEWARDSHIP CORNER

Cathryn Bottem is a student at UW-L, and an active part of Lutheran Campus Ministry. She writes on students "making a difference."

News can come in many forms. Excitement of new life with a child being born, pride to find out a family member will graduate or even happiness to see that your child is going to get married. Sometimes, however, that news can be incredibly devastating.

At 16 years old, loving sports, dealing with school and enjoying life, he shouldn't have to be fighting cancer. Myles Knoble is a junior at Logan High, diagnosed with stage 4 Hodgkins lymphoma, who started chemo in March. Logan High pool staff, all certified and supervised by Myles' dad, decided that we needed to help this amazing family.

We decided that the best way is with a car wash. Make the car washes cheap so people will come, but also be inclined to donate a little more with all of the proceeds going to Myles. It was such a heartwarming experience to witness God and the Holy Spirit working through everyone to do such an amazing thing for such a sweet boy.

Meanwhile, UW-L was continuing to fundraise for St. Baldrick's foundation. On April 8, countless students shaved their head to honor those battling cancer. I was so inspired by the bravery of these students, and raising money for Myles I was compelled by the Holy Spirit to do some fundraising. I started my own account on St. Baldrick's, set my date to shave my head, and began searching for donors. Because Myles was my big inspiration, all of my cash donations went to him, while all of the electronic donations went to the children of St. Baldrick's. To see the smiles that all of these fundraisers have put on Myles's and his family's faces just melts you and you realize that the work put in is completely worth it.

No small deed goes unnoticed. One small act can determine a good outcome or not. I realized how close God was to me, and loved to witness Him care for Myles in using the Holy Spirit to aid his family by bringing them home cooked meals, and the countless fundraisers done for him. It's an experience I won't soon forget, but the feeling I have in my heart will always remind me that God does provide. Even in the smallest way, He provides.

Cathryn Bottem

SCRIP CARDS

Scrip Cards continue to be available for Kwik Trip, Woodman's, and Festival. Cards are generally available before and after Saturday worship, and between services on Sunday. Cards make great gifts, and at the same time, a percentage goes to support our ministries. You can fill up, eat up, and gift up – and make ministry happen all at the same time!

A sign up is outside Pastor Jon's office if you would be willing to sell cards. Kids need a parent present, and their "cut" goes into their account for future mission trips. Adults can put their share to the summer lunch program. See Pastor Jon or Pastor Jean for more information.

Hungry Jar Offering for June – Feed Our Children Summer Lunch Program

Our Pre-K Sunday School class has chosen Our Savior's Feed Our Children Summer Lunch program as the recipient of our Hungry Jar offerings for June. Feed Our Children is the summer lunch program that provides free meals for children on Tuesdays and Thursdays at the Village Park and Anderson Mobile Home Park. Our Savior's seeks to meet the nutritional needs of students during the summer months. The meals will contain food from each of the food groups detailed in the National School Lunch Program. Lunches will be served from June 7 through August 18. Our Hungry Jar offerings will help purchase the food necessary to feed the children.

P.S. If you are interested in helping with those meals, please speak with Char Buelow.

CONFIRMATION

Confirmation and After School are done for the year – we resume in early September, so watch the newsletter for more details later in the summer. And remember – there is ALWAYS room for more, so invite friends and neighbors to join us as we explore what it means to be a disciple of Jesus.

SUNDAY SCHOOL NEWS

Our children closed out their time in Sunday School singing in church on

Mother's Day and making a picture frame for their moms. On the last day of class, we thanked our teachers, sang songs, celebrated milestones, and had ice cream sundaes! Sweet deal!

We now take the summer months off from Sunday School classes, but we still look forward to seeing you each week in worship and sharing the children's message with you. Blessings for a safe and fun summer!

SUNDAY SCHOOL OFFERING

This year's Sunday School offerings were collected for **God's Global Garden** through the work of the ELCA.

Start with a large plot of land, add special drought-resistant seeds, and top it off with tools and training for all. The result – plenty of fruits and vegetables to go around! Extra produce and seeds are shared with neighbors in need. **Check out the bulletin board outside of Pastor Jean's office to see the final gardens**

Friendly competition ...
Attendance ...
Offering ...

The results are in ...

Our **Kindergarten** class ended the year with the most weeks of "near perfect" attendance at 13 weeks, followed by the **Pre-K** at 5.

Jon Iliff (4th grade) was the only person with **perfect attendance** – he didn't miss a week! **Jesse Jothan** (K), **Lydia Jothan** (2nd), **Kaleb Kendhammer** (K), **Camdyn Lyga** (2nd), and **Casey Mathison** (K) only **missed twice!** Way to go kids!! Congratulations!!

Our **1st grade** ended up with the most offerings for *God's Global Garden* at \$186.75, followed closely by the **5th grade** at \$182.30 and the **4th grade** (**Ms. Kane/Ms. Schmidt**) at \$177.70!

The **congregation** plot ended up with all of its vegetables – maybe this summer we can finish off the rest of that garden.

Thank you to all who participated in our Sunday School offering project for this year! Many hungry people will be fed by your generosity!

Registration forms are available in the church office and on the website

([www.oursaviorswestsalem.org/resources/forms/Vacation Bible School registration](http://www.oursaviorswestsalem.org/resources/forms/Vacation%20Bible%20School%20registration)).

Completed registration forms are due to the church office by July 15.

*Note that scholarships are available if the cost would be a challenge for a family. Speak with Pastor Jean for assistance.

Ways you can help ...

- ❖ We will be looking for people to house our three Sugar Creek counselors either for all four nights (Sunday, August 7 – Wednesday, August 10) or split nights. We need to provide meals for the counselors, a place to sleep, and maybe a fun activity.
- ❖ Volunteers to assist with the activities each day.
- ❖ Adults and youth to help with the morning camp for the youngest ones.
- ❖ People to provide the food for the snacks or monetary donations to cover the cost of the snacks.

MAYBE YOUR BIG BREAK?

Looking ahead...we have a great opportunity for discipleship – sharing your faith as a confirmation guide with some of our seventh graders. Guides make a three-year commitment, working with a small group (4-5) kids. About 20 evenings during the school year are expected. See Pastor Jon for more information. Who knows...maybe this is your big break to make a HUGE difference in the lives of young people!

**Senior
Spotlight!
Celebrating**

our Resident Theologians...

Disciples come in all shapes and sizes. We have much to learn from our “elders” as these resident theologians have insights and stories to share. Vernetta Moe graciously allowed us to share a glimpse into

her story. Vernetta, 80 years young, has been an active member of Our Savior’s attending weekly Bible study, and serving on various committees including the Council, Call Committee (*you can blame her for Pastor Jon & me being here!* ☺), OWLS, and Senior Ministry.

Vernetta’s advice to new disciples of Jesus

... It’s not always easy to see where your faith is, where Jesus does things in your life, until you look back on it and reflect on it. Vernetta says to remember that faith with God, faith with Jesus, happens because there is a relationship there. It’s not about religion, it’s about relationship. She also said it helps if you can find others who also have faith to share and make that your ‘crowd.’ We can learn from those others.

Vernetta’s favorite Bible passage ...

because ... “For I am convinced that ... nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.” (Romans 8:38-39) This is Vernetta’s favorite – what more could we ask for than the love of God in Christ Jesus.

Vernetta’s earliest memories of church ...

When Vernetta was in elementary school (possibly 3rd grade) they were getting ready for the Christmas program and the pastor

challenged her to recite the Lord’s Prayer for the program. She was full of anxiety ahead of time, but when it came time to say the prayer during the program, Vernetta did fine. This was the first time she had been asked to speak in front of church, and she knew it must have been God who had helped her through it.

Thank you for sharing, Vernetta! Please keep Vernetta and all of our “senior” members (and “resident theologians”) in your prayers.

(115 3rd St S.)

This month Simply Social will take us to downtown La Crosse to the Friday evening Farmers Market in Cameron Park. Shop locally and enjoy a late afternoon in the park. Meet up with friends, listen to music, and enjoy an evening out. The market opens at 4 pm and goes 'til dusk, so come as you are able. We will then continue

with our downtown theme to Big Al's for pizza and dessert at The Pearl. Eating ice cream as we stroll thru Riverside Park is truly summer!

Please sign up on the kiosk in the Gathering Area. If the weather is not ideal, we will still meet at Big Al's for pizza at 6 pm. Please join us! Contact Judy Gilbert (608) 797-3001 for questions.

2016 FLOWER CHART

We're deeply appreciative of the donations of flowers for our worship center throughout the year. You can sign your name for a particular Sunday.

We'll send you a note reminding you that you have signed up to provide flowers. You can order flowers from a flower shop or at some times of the year provide your own flowers. The world around us gives God glory!

HOSPITAL REMINDER

Being hospitalized is never easy. Our goal is to visit each member during this difficult time.

At Gundersen, please be sure to alert the hospital of your church affiliation when they ask and they will then release your name to us when we call. At Mayo Clinic Health System/Franciscan Healthcare, it is important that you or a family member contact the church office to notify us of your stay. Mayo is no longer able to give out that information.

SUMMER LUNCH TEAM LEADERS

THANKS to the following for agreeing to be Team Leaders for the Summer Lunch Program—Feed Our Children—West Salem, for 2016. If you are willing and able to help them out, their contact information is listed. They will be looking for 4-6 volunteers for each of their days. We still have the drop off box at church with a list of needed items. Thank you to all who have already donated. We will keep you updated as to what we might continue to need.
