Pastor's Reflections

July 10, 1921. I wasn't there. I missed it.

July 10, 2021. I was there. I still missed it.

On July 10, 1921 a large crowd gathered inside Our Savior's Lutheran Church in West Salem. They gathered in the midst of new construction, maybe still bearing the scents and aromas of fresh wood and paint. Maybe a few unfinished details, a few items yet to be "nailed down." But done enough for the people of God to worship. It was time to dedicate this new building.

In thanks to a gracious God, they did just that. Just a few years earlier two congregations – one worshipping at Leonard Street and East Avenue, the other out on County M by the Michelson farm, took the bold step to come together, to set aside both their different congregational cultures and their buildings, and to become one. To become ... Our Savior's!

I'm pretty certain it wasn't always easy. Coming together like that never is. But Spirit led, it happened. And in the fullness of time, it happened successfully. Two congregations literally building a future together. In fact, the building itself represented the meshing and melding of God's people. Materials from the two buildings, one in town, the other on M, were used on the new building. I'll bet you never knew that we have a recycled sanctuary!

We missed all that. We missed it 100 years ago, and we missed it just a few weeks ago.

Several years ago, I took note of that anniversary, and put it on my calendar. As the years unfolded I transferred the

date to the newer calendar, until this past December when I placed it on my calendar for 2021 – and it was even a Saturday, a time of worship!

Alas, Covid continued to get in the way. As did a root canal. No, not mine, but Pastor Jean's. While we couldn't do some kind of celebration like I thought a few years ago, I did think we could lift it up, at least mention it. But when July 10 rolled around Pastor Jean was suffering from an infection connected to a root canal, and loving husband that I am, that was on my mind, not the anniversary. And no, it's not her fault!

So, I'm bummed that I missed it. Of course, I can keep placing it on my calendar ... and transferring it from year to year ... Google says July 10, 2121 will be a Thursday. Mark it down – big 200th anniversary party! Maybe Covid will be gone by then ...

On the other hand, however, maybe it's not so bad. After all, what's a building? Now, don't get me wrong – I love our building. But it is just that – a building. A building that has stood on this corner for now over 100 years. It really is a big deal ... and it really isn't.

It's a big deal because the building is our presence in this community. We aren't going anywhere. We are staying put. We have made a commitment here – and we continue that commitment. Moreover, this building is a resource for us as we carry out our ministries. Think for a moment of all the worship, classes, gatherings, counseling sessions, funerals, weddings, and all other ministries that occurred in the midst of torrential rains, blinding snows, or frozen temps. Not moments for the great outdoors, at least not for church work. And all possible because the building stood firm.

But ... it's still just a building.

So now, think about the last 100 years, and all that has happened since July 10, 1921. Economic turmoil, war, political uncertainty, terrorism ... and in the lives of individuals...hurt, pain, and illness, the loss of loved ones, the growing up, and sometimes the breaking up of families, the hard times and really tight budgets.

Through all of that the building was here, but hardly much help. It was not the building, but in the ministries that proclaimed hope through the crucified and risen Jesus. There, in the gospel, for 100 years has been the message of life. Life, not because of a building, but because of Jesus, and made known by people, the people who happened to gather in this building.

But even more – think of how this gathered community faithfully proclaimed that message despite all that has gone on around us for 100 years – despite wars, hot and cold ... despite depressions and recessions ... even in the midst of uncertain times ... and even in the face of Covid ... the message has been shared. And again, not because of the building – because of the Holy Spirit moving us to share the good news of Jesus!

So, let's think about this building, after 100 years, in two ways. First, as a resource.

As our world continues to change, but also as we hope to resume a more normal life, how do we use this resource, provided to us by a gracious God through the hands of those who have gone before us? How do we faithfully embrace, protect, but also use this resource wisely to change lives and proclaim God at work?

And second, let's use it as a reminder that even in the toughest of times, God is still with us. That even 100 years of challenge cannot keep the gospel from bringing life and

hope to us ... and to a troubled world around us. The next time you see the building, whether it's driving by, or stepping inside, ponder for a moment the sign that this building shares – the sign that even now, in a still uncertain world, God – Jesus – the good news – still remains, still brings life, and still overcomes all fear!

And empowered by all of that – let's continue to move forward into the next 100 years, doing what the folks at Our Savior's have always done – proclaiming life and hope, making a difference and changing lives, living faithfully inside the building – and out!

Pastor Jon

Remembering...

We've got some big projects happening – the new tech project in the sanctuary, which, among other things, will allow us to touch lives in West Salem and around the world by live-streaming our worship.

And then we are re-landscaping the front side of the building, replacing old and no-longer-viable bushes, and “re-rocking” the ground cover, to make our building more vibrant and inviting.

So, here's a way for you to be a part of these exciting changes ... your gifts will help make them happen, and your gifts could be even more of a “gift.”

You can “gift” a bush or plant, or even an electronic piece of the puzzle in memory (or honor) of a loved one or someone else who has been very special to you.

Contact the office for more information on how you can use a memorial – or honorary – gift to re-energize our ministries and make a difference in the lives of others!

“Returning to Normal” News

Some recent changes in our worship life mean that masks are no longer required for those who are vaccinated. If you are not yet vaccinated we urge you to do so, and to also remember that children and persons with certain underlying health conditions cannot yet be vaccinated, so please be sensitive to them.

Sign-ups are also no longer required, though we will continue to practice distancing. We ask worshipers to sign in upon arrival should there be a need for contact tracing.

At this writing (mid-July) there are growing concerns about another surge of Covid related to the Delta variant. Will that force us to change our practices? Maybe...but the best way to avoid that is to increase the vaccination rate. And if we need to, we will return to safer practices.

We are also looking forward to the fall and considering how education and faith formation, through Sunday School and Confirmation, can best take place. We will continue to monitor the pandemic and ALWAYS place the safety of our children at the top of our list!

August Worship

We continue to offer a variety of worship opportunities during August, including both “in-building” and virtual options.

- **In-building worship** is held on Saturdays at 6 PM and Sundays at 10 AM. Following CDC guidelines, vaccinated individuals need not mask. We will, however, continue to distance in the building, with a limit of 60 worshippers.
- Watch a recording of the Saturday worship, posted on **YouTube late Saturday evening**. Link on our video page.

Christian Education Update

Our thoughts are looking to the fall, and with that, the start of Sunday School. We will continue to take our cues from the School and Health Department.

The safety of our children is our most important consideration. We are currently developing protocols to ensure our children are as safe as possible for their sake and to reassure parents. We can do what we need to do for the sake of our children!

Families – watch for a Survey Monkey questionnaire to help us get a pulse of what families will be comfortable with as we move forward. Due to the large number of children and lack of space in the building, at this time we are looking at the possibility of alternating classes that are in the building at one time.

Let's get energized ...

As we begin to look to the fall, it's time to be thinking about assembling our **teachers** in hopes of having in-person Sunday school. It's been over a year since we could gather together with our children, and we are looking forward to connecting with them. If you enjoy being with children and learning from them, we invite you to join us on Sunday mornings to share your faith and get energized.

If you are able to share your gifts of time and self, or would like more information, please contact Pastor Jean.

We are excited to invite you to join us for ...

Helping Hands Ready to Work ...

Do you have a small project around the house that needs to be tackled, but you just aren't up for the job? We have youth eager to be of assistance, *for a small fee* that will help them fund future mission opportunities. Contact Wendy Kane, Youth Director, to make arrangements – youth@oursaviorswestsalem.org or call the church office and leave her a message.

Wands for Wildlife ...

Thank you to all those who have turned in mascara wands. At this time, we do not have enough to send in, so we will continue collecting until we have enough to ship out.

Please bring your **clean**, used mascara wands to church. To clean them: soak in a mixture of dish soap and warm water to get the mascara out of the brush, air dry, and place in a Ziplock bag. *Our little furry friends thank you!*

We have received word, there may be a change in the date that the Peaches will arrive ... possibly earlier in August than initially thought – watch the front page of the website for updates and details. Once the peaches have arrived, those who pre-ordered will be notified by text or phone indicating when they can be picked up.

... and if you didn't get your pre-order in, don't worry, we have ordered some extra – but they won't last long, so come on over when you know they're here!

Calling all Youth ...

We could use some help unloading the semi-trailer and distributing the peaches. This is a great way to put funds in your youth family accounts for the ELCA Youth Gathering, Sugar Creek Camp, and other trips. Call Wendy (608-518-9593) to let her know you can help.

Planning ahead ...

Lutheran World Relief School Kit Project

Imagine having to choose between a meal or purchasing a notebook. School Kits are sent to places where even the few required school supplies may be more than a family can afford. Pencils and paper can help write a positive future.

Once again, we will collect items to fill school bags for this ministry. As the summer rolls along, sales will begin for school supplies. Please take this list with you when you shop, as the list of needed items is quite specific. We are unable to send items that are not on the list!

Each School kit contains the following:

- | | |
|--|-------------------------|
| 1 – 30 cm ruler | 1 – pencil sharpener |
| 1 – BLUNT scissors | 5 – unsharpened pencils |
| 1 – box 24 crayons | 1 – 2-1/2 inch eraser |
| 4 – 70 sheet notebooks (no loose-leaf paper) | |
| 5 – blue or black ball point pens (no gel ink) | |

In past years we have been able to fill 100 backpacks and we are confident we can do that again. Have fun shopping!

There is a collection box in the Gathering Area.

If you have any questions, please call Wendy Kane at 608-518-9593.

Thank you in advance for your support

Off They Go ...

It's hard to believe but the summer is winding down and we are beginning to look to the fall and the activities that may be happening. One event will be our college students heading off to campus (hopefully). Now is the time to help them on

their journey ... why not get a (some) Kwik Trip card(s) to help with their travel expenses ... *that's one way to make sure they have gas money to come home and visit!*

Also ... whether they are going to WTC and living at home or traveling to the far ends of the country, we need our college **students' emails and campus addresses**. Please get that information to Pastor Jean when you know it. We like to keep in touch during the year and let our students know we are thinking about them and keeping them in our prayers.

The Prayer Shawl ladies are heading back to the building for a time of knitting and fellowship on the 1st & 3rd Tuesdays of the month (August 3 and 17) from 1-3 PM.

Join us in the Gathering Area where we can be socially distanced. If you have been vaccinated, you will not need to wear a mask.

The quilting ladies continue to be hard at work on Wednesdays. They already have **200+ quilts** ready to be shipped to LWR in October! *Way to go ladies!!*

But ... they aren't ready to stop there! In order to help them achieve greater numbers, they are asking the rest of us to check out our closets and find those **old sheets** we no longer need. They will gladly take them off your hands to be used in the middle of each quilt.

Feel free to drop off your old sheets in the fellowship hall – or in the church office – they'll find them!

Thank you so much for being a part of this ministry!

Congregation Council

The Congregation Council met on Monday, July 12, in “hybrid” fashion, with most gathering in person at church, while two members (for reasons other than Covid!) joined via Zoom. In the absence of elected officers, Pastor Jon called the meeting to order. At this meeting:

- Joined in discussion and devotions on our experiences of church that have been affirming, and experiences that have reflected our brokenness and failure.
- Participated in an orientation to the tasks and responsibilities of the council.
- Elected officers for 2021-2022 – President (Jen Linse), Vice President (Jaime Fortier), Secretary (Carolyn Karl).
- Approved the minutes from the May meeting, and the annual meeting in June, and received the May and June financial reports.
- Heard that Pastor Jon and Pastor Jean will be taking vacation time in August.
- Heard updates on ministries in the congregation.
- Discussed the ongoing re-opening of the building and worship.
- Heard that the tech project is underway, but due to global supply issues, may not be complete until November.
- Approved a re-landscaping of the Leonard Street side of the building at a cost not to exceed \$5,000.
- Heard that the church rental property (“Johnson South”) is now rented, but that a new water heater needed to be installed.
- Received 2021 Confirmands as voting members.
- Discussed some ongoing ministry needs and initiatives, including youth ministry support, property ministry, and a new ministry exploration team.

The next council meeting will be Monday, August 9, at 7 PM, at the church building. If you have ideas to advance the ministry of Our Savior’s, contact Jen Linse or one of the pastors.

Vacation

Pastor Jon and Pastor Jean will be taking some vacation time in August. Along with a few individual days, they will be on vacation August 12-15, and again August 20-26. If you have pastoral care needs during these dates, contact the church office and we will work to meet your needs.
