Pastor's Reflections

I am frustrated! It's time for my pastor's page, and I'm at a loss for what to share. And that frustrates me...and quite frankly, it's driving me a bit crazy!

This has happened before. What to write, what to share, what's important and timely enough. But not like this. This is different.

Kairos

We are on the verge of Holy Week and Easter. This is the ultimate, the "kairos" moment, the most significant moment, not just for the church, but really, for all of human kind. No other moment in human history is as important and decisive as this one.

We celebrate in the coming weeks God's ultimate work to redeem and restore creation. All the brokenness, vulnerability, and failure is placed on the crucified Jesus. And then, in his resurrection, God breaks the power of sin, death, and evil. And we have life.

Big, big stuff!

And then, as we think (and hope and pray) that Covid is finally waning a bit, we are ready for this moment. What timing! Things are getting better; Holy Week and Easter are on the horizon. You might even think God had something to do with this...

Yes, the resurrection is upon us!

But not so fast. Hold on a moment. Covid isn't gone, a new variant is loose in Europe, and may be already here, and

then... Ukraine! Easter is supposed to be bright and sunny, with joy and wonder, and lots of good news. And instead...I'm not so sure. And quite frankly, as I write this (last week of March), I wonder what will things be like come Easter (mid-April).

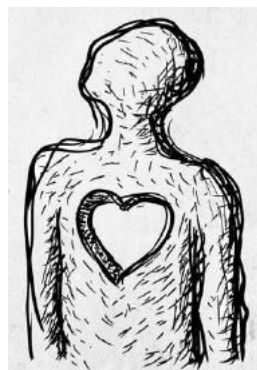

Ugh...so what to write? What can I possibly say?

On the other hand, in a sense, it's a bit of a "been there, done that" for me. Once upon a time I had an Easter kind of like this.

Two days before Palm Sunday, 1997, my father died. That took the wind out of Holy Week, and clouded my Easter. The awe of walking the path to the cross, and then the joy of discovery on Easter morning, just didn't happen. Not the way I wanted, and not the way I planned. Just a lot of gloom, doom, and emptiness.

But surprise – Good Friday, with the crucified Christ, and Easter with the risen Lord, still happened. Despite my emptiness and the distractions of the week, God still acted in Jesus' death and resurrection.

Or maybe not despite, but instead, *because* of my emptiness and distractions, God acted! That is to say, the emptiness, gloom and doom, the uncertainties, the distractions, and everything else that seems to detract from Easter are, in fact, the very point. Holy Week and Easter are not about bright, sunny days, where all is again good. The resurrection is not the moment when all the bad stuff is gone. Holy Week and Easter are instead about God's work in the midst of difficult, overwhelming, even dark days.

Which brings me back to my dilemma – just what do I say when we desperately seek resurrection, new life, new hope, and a new dawn, and all seems to be...not!

Perhaps what I say is... just simply the story. The story that in the cross, Jesus takes our brokenness, and in the resurrection, Jesus overcomes all that overwhelms us. Simple, and to the point.

Someone once said that for a preacher the biggest challenge at a moment like Good Friday and Easter is not to say the right things, but rather to be careful not to say too much! That is to say, sometimes the best thing I can do is get out of the way and let the story speak. Let God's word run wild among us!

That's a sobering thought, as I am preaching this Easter. And yes, there will be a sermon. But the point is well taken. I don't know what to say (remember?). Yet, what I say is not nearly as what God is doing in Jesus, even in the midst of days like these.

And perhaps for all of us, the gift of Easter is not a glorious resurrection, a bright, shiny day when we can put behind us all the troubles of our world. Instead, the gift of Easter (and the Holy Week that precedes it) is that even in the midst of "gloom and doom," there is still life. Life where there appears to be none.

Not just because of Covid or Ukraine. Those crises will pass. Someday they will be chapters in a history book, and new crises will take their place. New crises that challenge a world, or just new crises that challenge us. Regardless, even then, there will be a crucified Christ, a risen Jesus, and life where we would never expect to see it!

So, here's my invitation to you. Come to worship this year. Not because all is now well, the masks are dropped, and some sense of "normal" has returned.

Come to worship because no matter what is happening in the world, across the globe, or in the world, in your little corner, God is still at work, and God is still bringing life. Emptiness, gloom and doom, aside, there is life, and in God's hands, abundant life!

We will celebrate that life this year as we always do, but we will celebrate knowing that life is still sometimes more than we can handle. But never more than God, through the crucified Christ and risen Jesus, can handle.

And there it is, finally, my pastor's page. Just had to stick to the story. And let God do the rest!

Pastor Jon

Holy Week Worship

Palm Sunday – April 9/10

We read the Passion story, celebrate Holy Communion, and look ahead to the “holiest of weeks!”

Maundy Thursday – 7 PM

We gather as Jesus did, celebrating the Lord’s Supper, and hearing stories of betrayal, denial, and some really intense praying!

Good Friday 1:30 PM

Were you there? We are...at the foot of the cross, to ponder the awesome grace of God in the crucified Jesus!

8 PM

As the day draws to a close, and darkness descends, we hear the story again in the words of prophesy, the words of the Gospel, and the Word of God.

Easter Sunday 6:30 + 8:30 + 10:30

It’s party time! The tomb is empty, the risen Jesus calls us by name, and new life is ours! Lots of music, the message of the Gospel, and the celebration of Holy Communion.

Sunday School

It's hard to believe we are beginning to wind down our Sunday School year – our last classes will be held in May. We have so much enjoyed having our children back in the building, seeing their smiling faces, and experiencing their enthusiasm. In April, along with celebrating Easter with a return visit from our special Bible Buddy Olivia the barn owl, we will be introduced to our last Bible Buddy, Sal the spotted salamander, who reminds us that ***Jesus shows us how to live – Follow Jesus!*** Our Bible verse comes from Philippians 4:13 – *For I can do everything through Christ, who gives me strength.*

Our April schedule:

PreK/4K to 2nd Grade – April 3

3rd to 5th Grade – April 10 and 24

Thank you for bringing your offering envelopes to be shared with Lutheran Disaster Relief. This support is critical at this time as LDR is helping those suffering from the war in Ukraine, especially women and children.

The Mom's Group invites our PreK-2nd Graders ...

Affirmation of Baptism (aka "Confirmation") April 24, at 10:30 AM, at the Lion's Shelter. More info below!

Affirmation of Baptism

The Rite of Affirmation of Baptism, or “Confirmation” for our 9th graders will be Sunday, April 24, at 10:30 AM, at the Lion’s Shelter. YOU are encouraged to join us as we ask God’s blessings on these young people who seek to be faithful disciples of Jesus.

Bring a chair, and elements for Holy Communion (we will have some prepackaged elements if you forget!), and dress for the weather. Your support is an incredible gift of God, and is very important as we hear them affirm their baptismal promises, and as we become God’s voice affirming God’s promises to them. Don’t miss this opportunity to make a difference in their lives!

Personal Care Kits deadline extended ...

A Season of Hope – Lutheran World Relief

Around the world, our neighbors are suffering in the aftermath of war, displacement, and poverty. A Personal Care Kit contains simple, yet life-saving items that help families maintain good hygiene, health and basic human dignity.

We are inviting our families to assemble **Personal Care Kits** – maybe even more than one! The list of items needed and the instructions for assembling the kits follows on page ??.

What a great project to do together with your children – from shopping to assembling!

Kits need to be returned to church **by the end of April** (***note deadline extension***). Financial assistance is always welcome, too, to help ship the items to LWR.

To learn more about this important ministry, check out a new YouTube (https://youtu.be/978eLqj_Tzs) that highlights staff from around the world describing the challenges they face in their work and the ways they witness hope breaking through.

INCLUDE THE FOLLOWING IN EACH PERSONAL CARE KIT

- ONE light-weight bath-size towel (between 20" x 40" and 52" x 27"), **dark color recommended**
- TWO or three bath-size bars of soap equaling 8 to 9 oz., any brand, in original wrapping
- ONE adult-size toothbrush in its original packaging*
- ONE sturdy comb, remove packaging
- ONE metal nail clippers (attached file optional), remove packaging

* Toothbrush multi-packs may be used by sealing an individual toothbrush in a business-size envelope; no plastic bags or wrap

HOW TO PACK YOUR PROJECT PROMISE KITS

- Fold the towel in half. Place the rest of the items in the towel, fold and roll so nothing falls out, and secure with yarn, ribbon, string or rubber bands.
- Do not use plastic or paper bags to pack donations.

SOME IMPORTANT GUIDELINES TO REMEMBER

- Be sure to shop for light- or medium-weight towels, which are easier for Kit recipients to hand wash and air dry, take up less storage space and are considerably less expensive than the fluffier towels we may prefer to use.
- Bath towels vary in size. The 52" X 27" size listed in the guidelines is the maximum size. 20" x 40" is a good guideline for a minimum size.
- Please give new items only.
- Please do not donate items with any religious symbols, messages or your group's name.
- Please do not donate any items decorated with a U.S. flag, patriotic or military symbols, or references to the armed forces, including camouflage.
- Do not add other items or leave out any of the items listed.
- All items should be new and in good condition.
- Do not enclose the Kit or any of its contents in plastic bags.

Adult Bible Study

Bible study, live or via Zoom, continues on **Wednesday mornings from 9:30 to 11 AM**. We take time to ponder the gospel reading for the coming Sunday, so each session is “stand-alone.” NO previous Bible knowledge is needed – just come and enjoy some great conversation and “faith-deepening” discussions.

We meet in the Gathering Area. If you'd rather join via Zoom, contact the church office or Pastor Jon.

Ukraine

The ongoing war in Ukraine has displaced over two million people, injured and killed thousands, and destroyed villages, towns, and cities. Lutheran World Relief (LWR), working with its partner agencies in various countries in Europe, is already on the ground, working to ease suffering, and to rebuild shattered lives.

You can be a part of this work. Your gift will make a difference. To support the work of LWR, make your check out to Our Savior's, but note on the check "Ukraine." We will get it to LWR.

These needs will continue for a long time, so your gift today – or tomorrow – will change lives!

Meet Our Newest Members

We welcome ...

Scott & Carol Thompson – Scott grew up in La Crescent and Carol grew up on the south side of LaCrosse. They met at UW-L and after graduating moved to Ashwaubenon for jobs. They raised their three daughters in the shadow of Lambeau Field (*can you guess who their favorite team is?* 😊). Scott worked many years in the Shopko Corporate Office, and then moved on to Isotoner Totes as a National Sales Manager. Carol taught 3rd grade for many years. After retirement, they returned to the Coulee Region to take care of elderly parents and to be closer to their daughters and their families. They enjoy the Green Bay Packers, camping, and spending time with their eight grandchildren.

Jane Henricks – Jane grew up in north central WI, attended college at UW-L and graduated from Mankato State. She and her husband, John, raised three daughters and a son in West Salem. During her career, Jane taught middle school computer skills and 6th grade English, as well as 5th grade. Missing the classroom and kids after retirement, Jane is now back subbing and liking it very much. When not at school, Jane enjoys doing projects around the house, sewing, reading, listening to music, and spending time with her family. She also enjoys traveling to see her kids and grandchildren in Madison and Chicago. Coming from a different faith tradition, Jane is looking forward to learning and growing with her new faith community here at Our Savior's.

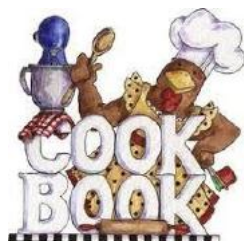

Sabbatical ...

The Congregation Council has endorsed Pastor Jean's sabbatical plans for summer, 2022. The theme of her sabbatical is "reconnecting" ... with things that she used to do, with people who touched her life, with places of significance. But why should Pastor Jean have all of the fun ... **YOU** too can be a part of the action!

Reconnecting with cooking is one part of Pastor Jean's plan, trying new recipes, and attending a cooking class.

What better place to find new recipes, than a cookbook! And, if you're going to find *new* recipes to try, you need a *new* cookbook within which to find them.

That's where YOU come in ... providing the necessary recipes for a new cookbook. So, while Pastor Jean is on sabbatical, the congregation is invited to submit your favorite recipe(s), and when Pastor Jean returns, she (along with a few helpers) will compile the recipes and create a new cookbook.

Now, if we're doing all of this work, there should probably be a good purpose. And, we have one! In the council highlights on page 28, you'll notice the Property Committee is researching options for a new roof, and you'll be hearing about those plans in coming months. So, let's get a head start on the fundraising that will be necessary to pay for the new roof. *Cookbooks!!*

We'll have fun collecting ... and testing ... and maybe even sampling ... and raising the roof!

Drop your submissions off in the office and watch for further details in the months to come.

... and speaking about Sabbaticals

... and trying something new ...

Three years ago, when Pastor Jon was on Sabbatical, we had active committees that were able to help Pastor Jean

survive and thrive that summer. With the pandemic these last two years, those committees have been on hiatus. But ... now is your chance to try something new and lend a helping hand at the same time. Pastor Jon would be excited if you said *“me, me, me ... I want to make a difference ... let me help!”*

We will need your assistance with the following tasks ...

... **Altar Guild** - getting things ready for worship each week – filling candles and changing banners/paraments if needed (but truth be told, we are going to be in the ‘green season’ for a loooong time!)

www.signupgenius.com/go/20F044CA5A629A7F85-altar

... **Ushers/greeters** – be a welcoming presence to those coming to worship, handing out bulletins, counting how many are in attendance

www.signupgenius.com/go/20F044CA5A629A7F85-ushers1

... **Communion Assistants** – preparing the trays before worship (putting in the cups and filling them with wine/grape juice) and getting the wafers on the plate, helping the pastor serve communion during worship, cleaning up afterwards

Please use the appropriate SignUpGenius link above or let the pastors know you will share your time with us.

Covid Protocols

The Congregation Council continues to monitor the pandemic level in our community, and consider the protocols for safe living. As the infection and hospitalization rates have dropped significantly, the council has determined that we can – and should – gradually relax protocols and move toward a more “normal” church life. These changes include:

- Masks are no longer required, but if you feel safer with a mask, *please continue to wear it!*
- Sign in for contact tracing is no longer used, but we are returning to the use of pew pads (instead of Communion cards), so please use them.
- Pews are no longer taped off. You may choose to sit distanced, and if others prefer to be distanced, please respect that.
- Drinking fountains are now “open for business.”

In the coming weeks, other protocols will be relaxed. We hope that for Easter we can return to a more “robust” worship, with additional music.

And then...watch the May newsletter – our hope is to be fully back on May 7/8, with the SOS Band leading our worship.

We are thankful to all of you for your patience and understanding as we have navigated over two years of challenges. Your support has enabled us to meet the diverse needs of the congregation, and more importantly, of the community around us.

Please note, however, that the pandemic remains, and if conditions require, we may need to resume some of the safety protocols. For now, however, we celebrate our time together!

Tech Project ... ***good news, of a sort!***

After a very long delay, the supply chain is beginning to “un-freeze,” and the parts for our tech upgrade are starting to move! We now have a tentative installation date of the last week of May. This project will include a drop-down screen, monitors, livestreaming, and a significant audio upgrade.

The cost has risen due to supply issues, and YOUR gift can make a big difference! So far, over \$15,000 has been given toward the project – but there’s still time for you to be a part of this new venture. Mark your gift “tech project” to make a difference!

See Pastor Jon or Dean Olson for more information on this new resource for our ministry together.

June Dairy Days

Summer is coming and will kick off with June Dairy Days on June 3, 4, and 5!

Please save the date and plan to participate in one or all of the following ways ...

The **Fun Run** will be held Saturday, June 4.

- Volunteers are needed to help with registration, set-up, and serving as crossing guards from 6:30 - 9:30 AM.
- Runners/walkers are also needed! Soon, you will be able to sign up your family and friends to participate in the 5K or 5 Mile run or walk – watch for more announcements.

The **Food Stand** is back! We will need lots of folks helping out, so please answer the call to sign up for duties at the Village Park all weekend – we need grillers, servers, ticket workers, window workers, and shift leaders. Youth and their families are especially encouraged to help on all shifts.

Sign-up sheets (at church and online) for volunteering will be available as we get closer to the event.

THANK YOU for helping us return to our fun traditions in June!

Salvation Army

The Salvation Army is looking for folk to assist in the serving of their evening meals in La Crosse. They are asking Our Savior's to take the first Friday of each month. Several families and individuals have already shared in making a difference – you can too! **We need people starting in May.**

Teams of three are asked to come to the Salvation Army building at 223 N 8th Street at 4:15 PM. Serving lasts a bit over an hour. It's a great service and witness, but also a moment to build relationships with folk who are in need. YOU can be the presence of Jesus for them, and maybe even discover that THEY can be Jesus to you!
