Pastor's Reflections

Changes ...

News flash! The world has changed! Really? You think? After Covid, and economic uncertainties, with technology changing daily, and the world getting smaller by the minute. And how about that weather? Close to home ... around the world, stuff we just haven't seen before. Yes indeed, the times, they are a-changin'!

And then ... changes right here in the church. Familiar faces no longer here, ministries not always working like they used to, Sunday School and Confirmation smaller, and the budget stressed.

To be sure, some of the changes are, well, pretty good. Lots of new faces in worship, families with kids. That's a good change! But still, where once you could sort of depend on some things remaining the same, now a days – is anything reliable?

Now, to be fair, things have always been changing? Someone my age, born 100 years earlier, would have seen the settlement of the American West, automobiles, telephones, airplanes, radios, and drastic changes in fashion. All in measly 60+ years. Yes, the times ... they've always been a-changin'.

So then, what's one to do? If things are changing, always, and we can't rely on any kind of stability, what hope do we have? How can the church possibly move ahead if we don't know what's coming next, and when it's going to come?

Easy! BE the church. No, I don't mean to just be open for business, run our programs, and hope for the best. Instead, be what we are called to be – a community of the faithful, grounded in God's faithfulness.

OK, what does that mean? We just finished remembering God's work in Jesus in Holy Week and Easter. Part of the story was the prep work that Jesus did in John 14. As he and his disciples gathered for the "Last Supper," Jesus made a promise – even though he was about to leave them (they didn't quite catch on at the time), he was NOT going to abandon them. His absence would be filled by what he called "the Paraclete." Better known as the Holy Spirit!

Jesus promised that as the disciples, and by extension the church ... and you and I ... move forward, the Paraclete, the Holy Spirit goes with us. And not just along for the ride. The Paraclete, the Holy Spirit is out to make things happen! To guide, nudge, and occasionally shove us along in the right direction. Even when things are changing all around us.

And that's where our hope is. We do live in a constantly changing world.

Some of the changes we can see coming – we can prepare, and with the guidance of the Holy Spirit, we can adapt to what's happening so that we may continue to be faithful in our discipleship.

Other changes – like Covid – aren't as easy to see coming. We may need to pivot quickly and change, sometimes not really knowing where we are headed. Scary, but in the hands of the Spirit ... let it rip!

And still other changes, seen or unseen, are simply changes we don't want to make – for whatever reason – yet changes we need to make. And then too, the Spirit takes hold and gives us the boldness to, as Captain Kirk from Star Trek would say, “go where no one (or least where WE) have never gone before!”

All of which brings me to the point. We have been exploring the new “guiding principles” which we adopted. The first principle is first for a reason – it is the starting point of all that we do.

Jesus is Lord and Savior.

Kind of a “no-duh” starter. If Jesus isn't “Lord and Savior,” then just what are we doing?

But then we move on to how we seek to be a community of faith. What are the values that we cherish? And how do we live out those values?

All are welcome, and we are intentional about that welcome.

Hey, it's not our church – it's God's – so how can we not work really hard to welcome all of God's people?

God gifts and calls every one of every age to be a difference maker in the world.

All of us – young and old – are gifted to make a difference for Jesus, not just in church, but especially out there, in the world, every day.

We treasure the gift of creation and embrace the call to protect God's world.

The world around us isn't just our playground, it's an awesome gift, and our responsibility to cherish, treasure and protect.

***We value the gathering of God's people in worship
and all our ministries.***

It's not just me and God – you and me, all of us, as the body of Christ, called together in worship, community and ministry to be God's work in the world!

But in a world that is changing I can't ... and we can't ... do this on our own. We try (sometimes) and fail (often). We value our values, and we seek to be faithful. But in the swirl of a changing world, we need more. We need the promised gift of the Paraclete, the Holy Spirit. And so ... the last "guiding principle" ...

***We seek the guidance of the Holy Spirit in a world
that has changed dramatically.***

Good news! God delivers! We move forward as this congregation has done for over 165 years, and as disciples of Jesus have done for close to 2000 years – into an "uncertainly changing world" with confidence not in our planning, hard work, or even foresight. Instead, we move forward because the Paraclete, the Holy Spirit is with us. And the promise is fulfilled!

I do not know all that the future holds. I do know that if nothing else, the future holds "change," and lots of it. But I also know that the Paraclete is still hanging around these parts, that the Holy Spirit is at work in us as disciples and us as a community of faith.

And so, let the world change (can't stop it anyway!). Makes no difference. The Spirit is loose!

Everyone (and we mean, *everyone!*) is welcome at Our Savior's, and welcome to our ministries and activities, even if you are not a member.

But ... if you'd like to join the congregation ... we'd love to have you! If you come from another Lutheran congregation, a transfer works best. Or, if you come from another Christian tradition, we periodically offer a new member class to help you learn more about how Lutherans understand the faith we share.

For more information on membership and how it can happen for you, see Pastor Jon or Pastor Jean!

Faith Formation ...

As I write these words, it's hard to believe we only have a couple more weeks of Sunday School – the year has flown by! It was so much fun to have our kids together in class this year, to hear their laughter, see their smiles, and watch their eyes as they heard about God's love and shared it with each other.

Our teachers and helpers were **awesome** – always flexible and willing to do whatever it took – sharing their witness of faith and love of Jesus!! They are truly a gift to this congregation and especially to our children!! If you see them around, reach out and thank them!!

Hungry Jar Offering for May Sugar Creek Bible Camp Camperships

"A sacred place for you"

Sugar Creek helps young people to be grounded in a Christ-centered, safe, and fun environment. It is a place for them to grow, and reinforces the importance of staying connected in our churches. It is a place where children can see role models in the college-aged staff who love Jesus and can excite them to a life of faith. At Sugar Creek youth are encouraged to make good choices, to share the love, joy and hope that a life of faith brings.

More than once we have heard what a difference Sugar Creek has made in the life of a young person!!

It costs almost \$800 to send a child to camp for a week. Our Savior's is committed to providing Camperships to help with the cost. Your generous contributions will help provide a camping experience for all who want to attend – no one is turned away.

Thank you for your generous donations to the Hungry Jar ...

Adult Bible Study

Spring has sprung ... Jesus is risen ... and we are exploring the coming Sunday's gospel reading. Come and join us as we dive into the story a bit deeper, and gain new perspectives on just what God is up to in our world. All part of Wednesday morning Bible study. We meet from 9:30-11 AM in the Library, or you can join us via Zoom. Each session is "stand-alone," so you don't miss if you ... miss! NO previous Bible knowledge is needed – just a healthy curiosity in what God is saying to us these days.

See Pastor Jon for more information, or to get the Zoom link.

The Congregation Council met on Monday, April 17, with President Jeff Haldeman presiding. At this meeting the council:

- Shared devotions based on Ephesians 4:7-13, reflecting on the gifts we see in others, and in ourselves.
- Approved the minutes of the March Council Meeting, and received the March financial report.
- Heard a report from the pastors on ministries over the past month, including worship trends, and a report on activities across the synod.
- Heard that the Audit Committee is continuing its work and will submit a report upon completion.
- Discussed some possibilities for worship, including the use of dramas in worship.
- Discussed visitors and new members, and ways to engage new people in the life of the congregation.
- Received Jane Brenengan Rienl as a member via transfer from Good Shepherd/La Crosse; restored membership of Rita Golnick; approved the 2023 confirmands as voting members.
- Received a report from the Property Committee detailing building needs, including roof, parking lot, tuck pointing, exterior lighting, and ceiling tiles. Discussed a process for evaluating the needs and how to move forward. Decided to devote the May meeting to these needs.
- Heard that Rich Westphal, Jane Henricks, and Karly Baganz, will work with Jaime Fortier on the Signage Task Force.
- Noted that several issues will need to be addressed in coming months, including stronger support for youth ministry.

The next meeting of the council will be held Monday, May 8 at 7 PM. If you have questions, or if you have ideas for enhancing the ministry of Our Savior's, contact Jeff Haldeman or one of the pastors.

Financial Support Ministry

THANK YOU!!! *Thank you for your continued financial support of our ministry together!* You make a difference in the lives of children and adults, in those across the globe, and those right here in our midst.

Like our gifts to fight world hunger. Gifts that feed those in need, but also help them to develop sustainable farming and other good practices. Gifts that allow them to start businesses, develop trades, and market their crafts. Gifts that protect water and land, so that a harvest may be gathered, and lives sustained. Yes, we do make a difference!

Financial gifts can be shared in worship, by mail, or placed in our locked mailbox. You can also make gifts electronically. Go to www.oursaviorswestsalem.org/giving to find out more!

***Thank you for your support.
We are grateful for your partnership as
we proclaim the good news of Jesus Christ!***

Ministry is not a numbers game, but numbers can help us get a feel for what is happening as we carry out our part of God's work in the world! Numbers help us

measure our faithful response to God's call, both in our financial support and our worship life. So...here is a snapshot of our ministry...by the numbers!
