Pastor's Reflections ...

God at work ...

Have you ever felt overwhelmed, overworked, not enough hours in the day, too many things to keep track of, your head is spinning and you don't seem to be accomplishing anything despite always being busy? That was culminating for me yesterday ... and then I was supposed to go on a hike ... who had time? who had the energy? ... But the weather was perfect, a beautiful crisp fall day, with a few leaves still on the trees allowing their colors to shine through, and a group of people gathering to have conversation. And, God was at work ... in the people, in nature, in me.

Got at work ... the theme of Pastor Jon's sabbatical project. He took hundreds of pictures of God at work here in our own backyard and neighborhood, and across the country. But those are the obvious places ... what about the more subtle, not so obvious places?

Life is not easy, we experience bumps and bruises along the way, sometimes even potholes that consume us, but we have faith and trust that God is at work in the promise made at our baptism to be with us through it all, no matter what comes.

... when we are grieving the loss of loved ones, God is at work in those who surround us with their love and care.

... when we are struggling with health issues, God is at work in the healthcare professionals who treat us and care for us.

- ... when we are feeling lonely or lost, God is at work as people are placed in our path who take the time to walk with us.
- ... when we are marginalized and vulnerable, God is at work in those we encounter who treat us with respect and dignity.
- ... when life is dark, God is at work bringing us light.
- ... when we need quiet time, time for self-care, God is at work in the moment, in the silence, in the giving of permission to just be.

We find ourselves in a world that is hurting, that can't seem to get along, that struggles to find common ground and chooses not to try. Yet, God is at work in us. God is at work in us as we are called to make a difference in the lives of others. We are called to accept and welcome others, even if they aren't like us, even if they disagree with us, even if we don't particularly like them. It would be so easy to turn ourselves inward, surround ourselves only with those who mirror us in all that we say and do. But that's not what God calls us to do.

**I see you
working God,
I see you!**

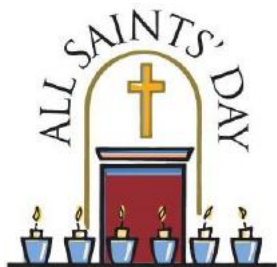

As we move forward in the days and weeks to come, wherever we find ourselves, whatever the circumstances, remember that God is at work, in those around us and in ourselves.

Where do you experience God at work?

Pastor Jean

P.S. Check out the stewardship mailing for "God at work," and an invitation to share "God at work."

All Saints Sunday November 3

As in past years we remember on All Saints Sunday (November 3) all the saints who have gone before us. We remember in our prayers all who continue to grieve, and we thank God for the gift and witness of all who have gone before us. This year we especially remember those who have joined the church triumphant during the past year, including:

Bergene Wilcox – December 8, 2023
Elna Witt – January 12, 2024
Charlotte Swenson – February 9, 2024
Kimberly Riley – February 14, 2024
Linda Spah – May 11, 2024
Gloria Thompson – May 24, 2024
Mary Storandt – June 2, 2024
Sylvia Hetland – June 3, 2024
William Martell – August 9, 2024
Kay Osiecki – August 17, 2024
Andrew Beckstrom – October 5, 2024
Blanche Tryggstad – October 15, 2024
Dale Anderson, Jr. – October 17, 2024
Darlene Johnson – October 24, 2024

Join us to celebrate their witness, give thanks for their presence, and pray for continued healing for all who grieve the loss of loved ones!

Prayer at the Foot of the Cross

Wednesday, November 6

With a very tense and uncertain election approaching, there will be winners and there will be losers. All of us, however, are not only citizens, we are children of God. We are called by God to embrace all, regardless of who they voted for, and the issues that are important to them.

Wednesday, November 6, the sanctuary will be available from 9 AM to 7 PM for quiet prayer. We ask for your prayers for those who may be hurting in the aftermath of the election, and prayers for unity in our country and community. Most of all we ask that as elected and re-elected politicians prepare to take office, that God's Holy Spirit work in them and guide them in the way of Jesus.

During this vigil at each hour one of the pastors will share a brief scripture reading and offer a word of prayer. The rest of the time will be silent prayer and reflection. A bulletin with scripture readings will be available, and candles will remind us of God's presence in our midst!

Ecumenical Thanksgiving Eve Worship

**Wednesday, November 27
7 PM at St. Teresa of Kolkata**

After having a “rockin’ good time” worshipping with our brothers and sisters from St. Teresa and the Presbyterian Church of West Salem at Thanksgiving and Advent last year, we are doing it again!

Join us on November 27 at St. Teresa as we come together as the Body of Christ in different faith communities, but gathering around the same cross and empty tomb. Together we will give thanks to a gracious God for all the gifts of life!

Sunday School Offering

More than 2 billion people around the world aren't sure where their next meal will come from, and for as many as 828 million people, that next meal won't come at all. ELCA World Hunger is a story of caring for the environment, new

fields being planted with crops, and wells bubbling with clean water.

The Sunday school offerings this year will help to eliminate hunger in our

world. Check out the bulletin board by Pastor Jean's office and watch the hay bales grow on our way to getting a cow!

Hungry Jar Offering for November – Our Savior's LaCrosse Come for Supper Ministry

Come for Supper (CFS) is a response to Jesus' call to care for our neighbors by providing nutritious free meals served with generosity and love. CFS began as a reaction to the spiritual command to love our neighbors as well as taking an initiative concerning the problems of poverty and hunger in the La Crosse community. The first CFS meal was served Tuesday, December 3, 1996. Thirty-five guests arrived that first night. Today, CFS serves 225-250 people every Tuesday.

The program has grown, and today Our Savior's supports a consistent flow of individuals experiencing homelessness, with some attending Come for Supper, others seeking refuge from the rain, and some finding rest near their entrance. They offer assistance within their means and capabilities.

Thank you for your generous donations to the Hungry Jar ...

Fall Back – Time Change
November 2 – Saturday night

Stewardship

Our fall stewardship ministry is underway! But first, ***thank you for your support of our ministry together over the years. Together we have made a difference!***

Now, let's celebrate ... ***“God at work in our world and in our lives!*** You will be receiving a mailing from Our Savior's, with a gift for you – a gift to remind you of the most awesome way we experience ***“God at work in our world and in our lives!”***

You will also receive an invitation. First, to consider how you share all that God has entrusted to you, and how your sharing of those gifts can enable you, through our work together, to make a difference in the world, and to change lives! **We invite your support of our work together, and we ask you to consider an increase in your sharing.** Exciting things are happening at Our Savior's and you can be a part of all that God is doing! The mailing will include an estimate of giving card, which we ask you to return to us during November.

Second, whether or not you decide to make an estimate of giving, we ask you **to share with us a way in which you have experienced “God at work in our world and in your life.** Share your story as we see the many ways God is at work!

Finally, ... we encourage you to ***join us in worship November 9/10 as we celebrate “God at work in our world and in our lives!”*** Pastor Jon's message will explore how two pennies and the Reformation connect with being a good and faithful steward of all God entrusts to us.

Mission Endowment Fund

Each year the Mission Endowment Fund distributes around \$17,000 to agencies and programs in our community and around the world that meet human needs. We are looking for your suggestions for appropriate disbursements for the endowment in early 2025. Guidelines on what can be funded are available from the church office, but most agencies and programs that meet human needs qualify.

Fund disbursements will be recommended by the Mission Endowment Fund Committee, but approved by the annual meeting. Your suggestions are the first step in that process. Suggestions will be received through December 1st, and can be submitted to the office.

For more information contact Melody Schmitz, or see one of the pastors.

Nominations

It's getting to be that time – time to lift up new leaders for our mission and ministry. We will be seeking leaders willing to share their time and talent with the Congregation Council, Mission Endowment Fund, Synod

Assembly, Sugar Creek, and Eagle Crest Communities. If you ... or someone you know ... has the gifts and the calling to provide leadership for our work together, contact Jeff Haldeman or one of the pastors. *These are challenging and exciting times ... yet, God is at work in you!*

Meanwhile, we will be asking worshipers on Sunday November 17 and November 24 to think – pray – and discern – who among us has leadership skills and might also have the calling to be a part of our leadership team. So, start thinking and praying – and be ready to share some names with us!

Mark your calendars now ...

It's been over five years ... and we've grown ... we have welcomed new faces in our pews and classrooms ...

We will be doing a new pictorial directory in the new year! Pictures will be taken **Wednesday, February 26 through Saturday, March 1**. Watch for sign ups! We would LOVE to have EVERYONE included in this new directory.

Building Projects (Financial) Update

The building work is done! Front entrance lighting, tuckpointing and caulking, roof work, parking lot gravel, and other storm damage, and the new organ. All in place!

But now ... got to pay the bill!

So, how is that going? In order to be transparent ...

Project costs:

• Flat roof	\$123,789
• Lighting	\$ 5,126
• Tuckpointing and caulking	\$ 21,056
• Ceiling tiles	\$ 2,600
• Storm damage from July, 2023	
o Pitched roof	\$ 55,856
o Steeple damage	\$ 39,312
o Skylights	\$ 16,000
• Parking lot re-gravel	\$ 4,950
• Organ	\$ 57,100

TOTAL COST for projects	\$325,789
--------------------------------	------------------

Resources available:

- On hand (6/1/23) for building needs \$ 39,326
- Transfer from other funds \$ 25,000
- Initial insurance payout \$ 70,435
- Gifts received as of 9/30/24 \$125,520

BALANCE NEEDED: \$ 65,508

Note that there will be a supplemental insurance payout, but we do not yet know that amount. We expect it to cover close to one-third of the balance needed, but that still leaves us with a “chunk of change” yet to go.

So, for starters, THANK YOU to all who have contributed gifts toward our goal! You are making it possible for us to renew our building for the next generation!

For those who made a three-year commitment, we are confident that your gifts will come.

Then, moving ahead, your continued support is important to “close the deal.” And if you have not yet made a gift, now is the time!

Your gifts make it possible for us to have the resource of our building as a “home base” for our many ministries. That means, as you support our building program, you also support the many ways in which we make a difference – and change lives!

You can make further gifts with an envelope marked “building fund,” or go to our website and access our giving page. And keep watching our progress on the display in the Gathering Area!

For more information on these projects, or our Capital Campaign, see Jeff Haldeman or one of the pastors.

Thank you ...

... to Melissa Haldeman for preparing the meal when Bishop Malpica was here.

Received from others ...

... Thank you so much for allowing me the opportunity to go to camp. I had so much fun riding the horses and connecting with friends. Some of my favorite parts of going to Sugar Creek was slip and slide and riding horses. Sincerely,

Alise Jothen

... I want to express my heartfelt gratitude for the scholarship to the Sugar Creek. Your generosity would have made a significant impact on my experience, allowing me to participate in activities that have fostered my growth and made lasting memories. Sugar Creek has given me opportunities to explore new interests, make new friends, and deepen my faith. I truly appreciate your support and commitment to our community. Thank you once again for your kindness and belief in the importance of such experiences. Warm regards,

Jesse Jothen

... Words can't express the grace and care our group received from the congregation and pastors for the St Croix Hospice Memorial Service on October 9, 2024. On Wednesdays Our Savior's is humming with Bible Study, Choir, Bells, Confirmation, etc., and here we came setting up our service and using the PowerPoint and music. I have provided grace for others; however, it is in receiving that we feel most blessed. All in attendance that night were supported by the pastors and the congregation. Thank you for being a shining light in a weary world.

An Exciting Invitation from the ELCA ...

Our congregation has the unique opportunity to participate in a national study of worship attenders. The study is being conducted by Faith Communities Today (FACT), a research partner of the ELCA. Since 2000, FACT has conducted research that provides religious leaders of all traditions with critical information about the changing nature of congregational life and how to respond effectively.

Anyone 18 or older who is a regular participant can complete the survey. It should take between 12 to 15 minutes. To take the survey, please use the following link:

https://covidreligionstudy.qualtrics.com/jfe/form/SV_9GYI89a3NMOwuFw?congregation=20337

Please complete the survey **by Friday, Nov. 22.**

If you are interested in learning more about this study, please visit: <https://www.covidreligionresearch.org/attender-survey/>

After the research has been collected, we will receive a report about our congregation, and also about the national church. How exciting to be a part of this churchwide research!

By the numbers...

Ministry is not a numbers game, but numbers can help us get a feel for what is happening as we carry out our part of God's work in the world! Numbers help us

measure our faithful response to God's call, both in our financial support and our worship life. So ... here is a snapshot of our ministry ... by the numbers!
