

TRANSITION TEAM/CALL COMMITTEE

Prospective Interest Profile

Please submit to the church office by Sunday, October 11.

Transition Team: *The Transition Team will work for the next several months developing ways to equip the congregation to discern what God is calling into being here at Our Savior's. It will listen to that discernment, and then create the Ministry Site Profile. Surveys, small group gatherings, large forums, or other methods may be used by the team. The profile is the first step in the process, and is required before candidates can be considered. It tells our story to potential candidates, and is very important. This work is expected to take about four months to complete and will involve a number of meetings and work sessions.*

Call Committee: *The Call Committee begins its work after the Ministry Site Profile is completed. The Committee will receive candidates from the Bishop, consider how they might fit the needs of Our Savior's, and then interview candidates who appear to meet those needs. When the Committee finds the right candidate it will recommend him/her to the Congregation Council. The Council will then recommend the candidate to the congregation for a call vote. The Committee will work until a call is extended and accepted, which we expect to be four months or longer. There will be a number of meetings and interviews with candidates as part of the process.*
